Student handout

1. a) Which pairs of events (if any) are **simultaneous** in the **unprimed frame**?
   b) Which pairs of events (if any) are **simultaneous** in the **primed frame**?
   c) Which pairs of events (if any) are **colocated** in the **unprimed frame**?
   d) Which pairs of events (if any) are **colocated** in the **primed frame**?

   Missing `/var/www/paradigms_media_2/media/activity_media/events_1.png`

2. For each of the figures, answer the following questions:

   a) Which event occurs **first** in the **unprimed frame**?
   b) Which event occurs **first** in the **primed frame**?

      i. Missing `/var/www/paradigms_media_2/media/activity_media/events_5.png`
      ii. Missing `/var/www/paradigms_media_2/media/activity_media/events_6.png`
      iii. Missing `/var/www/paradigms_media_2/media/activity_media/events_7.png`
